

The background of the entire page is a dark teal color. Overlaid on this is a large, light teal hexagonal shape. Inside this hexagon is a photograph of several forged metal components, specifically spiral-shaped parts, which appear to be part of a larger machinery. The components are dark and have a rough, forged texture. The text 'FORGED COMPONENTS 2020/2021' is located in the bottom left corner, within a dark red rectangular box.
